

**11/2016 A2C2 Workshop**

Saclay, France

**Invited Talk:** "Different approaches to studying atmospheric predictability and extremes"

**05/2016 CSSP Drought Workshop**

Peking, China

**Talk:** "The SPEI Drought Index Applied to China"

**11/2015 Fall School on Climate Extremes**

Cargese, France

**Poster:** "Double Rossby Wave-Breaking and Severe European Windstorms"

**08/2015 SPARC Workshop**

Grindelwald, Switzerland

**Talk:** "Double Rossby Wave-Breaking in the North Atlantic"

Travel Grant (Bolin Centre for Climate Research)

**06/2015 IUGG General Assembly**

Prague, Czech Republic

**Talk:** "Double Rossby Wave Breaking in the North Atlantic and Severe European Windstorms"

**Talk:** "The West African Monsoon strength modulated by Saharan dust: a look into the future from a palaeo-perspective"

**10/2014 SISC 2nd Annual Conference**

Venice, Italy

**Talk:** "A Zonal View of Atmospheric Heat Transport Variability"

**Prize for Best Paper by an Early Career Scientist**

**09/2014 STORMEx Workshop**

Lisbon, Portugal

**Poster:** "Large-Scale Dynamics of Severe European Windstorms"

Travel Grant (Bolin Centre for Climate Research)

**03/2014 United Nations FCC ADP 2-4**

Bonn, Germany

**Delegate** for Imperial College London

**11/2013 United Nations FCC COP19**

Warsaw, Poland

**Delegate** for Healthy Planet UK/ Climate and Health Council

Imperial College, London

**Chair:** panel session on "The IPCC climate report 2013, an ultimate warning?"

**09/2013 SISC 1st Annual Conference**

Lecce, Italy

**Talk:** "Temporal variability and spectral features of meridional heat transport"

07/2013 **Davos Atmosphere and Cryosphere Assembly**

Davos, Switzerland

**Talk:** "Temporal Variability of Meridional Heat Transport by Transient Eddies"

Travel Grant (RMetS and Imperial College Trust)

06/2013 **Postgraduate Research Symposium**

Imperial College, London

**Talk:** "Heat transport in the atmosphere: temporal variability and spectral features"

Runner up for best talk

03/2013 **SET for Britain Competition**

House of Commons, London

**Poster:** "Warm Winds of Change: A New Perspective on Meridional Heat Transport"

11/2012 **London Climate Forum**

Imperial College, London

**Chair:** Session on "Why climate change is so difficult: the multiple challenges of time and how to overcome them"

06/2012 **Graduate School Research Symposium**

Imperial College, London

**Poster:** "Sporadic Heat Transport in the Atmosphere"

Public Engagement Prize

03/2012 **ES4: Earth System Science School**

Southampton

**Talk:** "The Sporadic Nature of Heat Transport by Transient Motions"

Travel Grant (NERC)

07/2011 **RAPID International Science Meeting**

Bristol

Travel Grant (NERC)

06/2011 **ResClim School: Role of Sea Ice in the Climate System**

UNIS, Longyearbyen, Svalbard

**Talk:** "Cryospheric Feedback and Meridional Heat Transport"

Travel Grant (ResClim)
